Case # 25-122888

Citation # 846

Hearing Date: 4/9/2026

Code Enforcement Officer: Jacob M.

Description:

PROPERTY ADDRESS IN VIOLATION: 191 Pine Ave

PARCEL ID: 840200000080

OWNER: Kenneth A Gilbert

MAILING ADDRESS: 191 Pine Ave, Edgewater FL 32141

Background:

On September 24th, 2025, I received a complaint regarding outdoor storage at 191 Pine Ave.

I inspected the property with my supervisor. We met Kenny Gilbert, the owner. There were outdoor storage violations, unpermitted fencing and structures, cars parked throughout the property, as well as inoperable vehicles, trailers, and boats. There were tarps laid out everywhere, dressers and furniture sitting outside, and a cooler with flies surrounding it.

On October 13th, I hand delivered an NOV to the owner. We went through the property and identified all the violations and corrective actions.

On November 10th, I reinspected and saw that there was progress. Some of the fencing had been removed, the outdoor storage was somewhat consolidated, and the tarps on the ground were mostly removed.

On December 9th, I was notified that Kenny got sick and needed additional time. I agreed to an extension until January 5th, 2026.

On January 5th, I met with Kenny and saw he removed most of the fencing. He had placed tiles and other objects along the property line as a small makeshift barrier. I informed him that this would have to be removed. He also put mulch, shell, and rugs in his right-of-way, which had to be removed. No progress was made regarding permits for any accessory structures or the fencing. I ensured Kenny understood that 1, he had too many accessory structures, and 2, it was likely that most of them would not be permitted in their current state. The outdoor storage violations and the vehicles still remained.

On February 9th, I met with Kenny, his sister, and his brother-in-law. I went over all the violations again and I explained the corrective actions required. I asked Kenny how the permit process was going, to which he informed he hasn't contacted the building department yet. Due

to the length of time already provided, I gave a final extension until March. I created a new NOV going over the remaining violations and hand delivered it.

On March 4th, I met with Kenny and walked the property. He made minimal progress on some violations, but nothing was in compliance.

After reviewing the nature of the violations and the ordinances, A citation for Outdoor Storage, Permit Required, and Inoperable Vehicles was issued on March 5th.

On April 8th, I reinspected the property with Kenny. The unpermitted structures were still present, the outdoor storage was piled near the entrance to the property, and the inoperable vehicle was still there.

All notices and provisions of Chapter 10 Article XXVII have been complied with.

Staff Recommendation:

Citation – 3x \$75 (\$225)

Daily Fines per violation – \$100

Staff recommends a civil fine of \$75 for each of the 3 violations totaling \$225; as well as daily fines of \$100 per day per violation that is still present after May 9th, 2026.
