

## EDGEWATER FIRE RESCUE SERVICES

"We Strive To Be The Best"

1605 South Ridgewood Avenue

Edgewater, FL 32132

*Jeffrey Lariscy, Fire Chief*

**TO:** Bridgette Vaissiere, Finance Director  
**FROM:** Jeff Lariscy, Fire Chief   
**SUBJECT:** Sole Source Justification (Standardization)  
**DATE:** November 14, 2023

---

Edgewater Fire Rescue Services Department is requesting to purchase one Power Pro 2 Stretcher, made by Stryker, as a sole source.

Edgewater Fire Rescue has utilized Stryker stretchers for the last 6 years. Purchasing the Stryker stretcher for our ambulance will allow us utilize our current policies and procedures without any additional training for our personnel. This also allows us to not only standardize the stretchers used within our department, but all other ambulance transport agencies in Volusia County.
