You don't often get email from rcoslow@cityofedgewater.org. [Learn why this is important](#)

Mr. Brush,

We have received a quote from Asphalt Paving Systems, Inc. to perform work for the City of Edgewater under the same terms and conditions as the subject bid/contract #22-245 with Polk County. We were provided a Notice to Proceed document (attached for reference) which states the duration of the agreement as follows:

“effective June 13, 2022, through April 30, 2023. This contract will automatically renew for two (2), one (1) years terms unless terminated.”

Will you please advise whether Polk County terminated the agreement with Asphalt Paving Systems, Inc.? If not, please advise the end date of the current contract period?

Thank you,

Randy J. Coslow, P.E.
