Grant Description:

The Firefighter Assistance Grant Program was established by Florida Statute 633.135 and F.A.C. 69A-37.502 to help protect the health and safety of firefighters via financial assistance to fire departments to help procure equipment to improve the emergency response capability of fire departments in their communities. This includes PPE/Turnout Gear. Edgewater Fire & Rescue is requesting funding for 6 complete sets of PPE/Turnout Gear consisting of new Jackets, Pants, Helmets, Boots, Gloves and Helmets for expired gear. These 6 sets of PPE/Turnout Gear have surpassed their 10 life expectancy and considered out of compliance and expired.

Benefit(s) of Grant to City/Department:

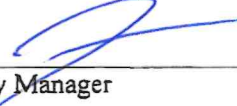

The acquisition of six sets of turnout gear will significantly enhance firefighter safety and operational readiness for our community. This grant will help replace gear over ten (10) year^s of age, reduce the risk of injury and exposure to hazardous contaminants, and ensure compliance with current safety standards.
