SECTION 13. FEMA REGULATIONS

1. **REMEDIES FOR CONTRACTOR'S BREACH** (all contracts in excess of \$250,000)
 - a. In the event any deliverables furnished or services provided by Contractor in the performance of this Contract should fail to conform to the requirements herein, or to the sample submitted by Contractor, CITY OF EDGEWATER may reject the same, and it shall thereupon become Contractor's duty to forthwith reclaim and remove all nonconforming deliverables and correct the performance of services, without expense to the CITY OF EDGEWATER, and to immediately replace all such rejected items with others conforming to the specifications or samples. Should Contractor fail, neglect, or refuse to do so, CITY OF EDGEWATER shall thereupon have the right, but not the obligation, to purchase in the open market, in lieu thereof, a corresponding quantity of any such items or services and to deduct the cost of such cover from any moneys due or that may thereafter become due to Contractor.
 - b. In the event Contractor fails to make prompt delivery of any item or service as specified in the Contract, the same conditions as to CITY OF EDGEWATER's right, but not obligation, to purchase in the open market and receive reimbursement from Contractor, as set forth in (a) above shall apply.
 - c. If the CITY OF EDGEWATER terminates this Contract, either in whole or in part, for Contractor's default or breach, Contractor shall compensate CITY OF EDGEWATER,

in addition to any other remedy CITY OF EDGEWATER may have available to it, for any loss or damage sustained and cost incurred by the CITY OF EDGEWATER in procuring any items or services that Contractor agreed to supply.

- d. CITY OF EDGEWATER's rights and remedies provided in this Section 1 (Remedies for Contractor's Breach) shall not be exclusive and shall be in addition to any other rights and remedies provided by law, equity, or this Contract.

2. TERMINATION FOR CAUSE OR CONVENIENCE

- a. *Termination for Convenience.* CITY OF EDGEWATER has the right to terminate this Contract at any time and without future financial obligation upon thirty (30) days written notice to Contractor.
- b. *Termination for Cause.* CITY OF EDGEWATER may terminate the Contract and be relieved of the payment of any consideration to Contractor should Contractor fail to perform the covenants contained in this Agreement at the time and in the manner provided in the Agreement. In the event of such termination, the CITY OF EDGEWATER may proceed with the work in any manner deemed proper by the CITY OF EDGEWATER. The cost to the CITY OF EDGEWATER shall be deducted from any sum due the Contractor under the Contract, and the balance, if any, shall be paid the Contractor upon demand.

3. EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this contract, the contractor agrees as follows:

- a. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- c. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or

- action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- d. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - e. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
 - f. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
 - g. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other Contract Provisions Guide 12 sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
 - h. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for

securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
