**RE: *Bid Recommendation for Edgewater ITB 26-PW-01 Sewer Lining,
Project No. CDBG 23DB-N33***

Kimley-Horn has reviewed the bid form and the unit prices provided by all contractors. The lowest bid received was Vortex Services, LLC. The bid appeared to be reasonable based on current market conditions and are comparable to at least one other bidder for all bid items and also complete without errors.

References of Vortex Services, LLC provided proficient remarks. All references stated that they would select Vortex Services again to perform similar work to the scope of work.

Based on our review of the bid form, Kimley-Horn recommends that Vortex Services, LLC bid be accepted for the work on the City of Edgewater Sanitary Sewer Lining project.

However, under provision 3.14 of ITB 26-PW-01, the City of Edgewater reserves the right to waive any irregularities in any bid, reject any or all bids, and waive any requirements of bidding requirements that which would be in the best interest of the City.
