

CITY COUNCIL 2025 GOALS FOR CITY MANAGER

What 2 things the City Manager does now that the Council would most like him to continue?

- Open Communication, willingness to meet with residents.
- Being involved in extra meetings (Chamber, Habitat, etc..)

What 2 things the City Manager does not do now that the Council would most like him to do.

- A strong, compassionate leader who will guide and support councilmembers.
- Have a strong community involvement.
- Being a liaison between residents and departments, being empathetic with residents to help find solutions to their issues when possible.
- Hold some staff members accountable that need more accountability.
- Restructuring of public works and transparency of their needs and budget.
