Notice of Final Award FSA23-EQU21.0: Equipment

Date: October 1, 2023

To: Bidders and Purchasers

From: Hugh Oliver, Cooperative Purchasing Program Manager

Re: Notice of Final Award for FSA23-EQU21.0: Equipment

Florida Sheriffs Association (FSA) has completed its 21st year of the cooperative purchasing equipment contract. FSA is issuing the Notice of Final Award for contract FSA23-EQU21.0: Equipment that will be effective from October 1, 2023, through September 30, 2025. This year's bid included 453 items. The contract will offer construction, material handling, transportation, all-terrain and utility vehicles, and grounds care equipment.

The competitive process for this award began in May 2023, when stakeholders were surveyed regarding procurement needs. Items were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement for the Invitation to Bid was published in the Florida Administrative Weekly, as well as the State of Florida's Office of Supplier Diversity and the FSA websites. On May 5, 2023, a direct notification was sent to 716 prospective bidders to participate in a voluntary bidder workshop. The ITB advertisement resulted in 149 pre-bid attendees or waivers. Of these respondents, 85 submitted bids and 78 qualified. FSA has identified intended awardees in the attached Final Award Report. The Final Award Report shows up to three lowest bidders per item, per zone.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions for this procurement. Bidders that become awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida, or to other entities approved by manufacturers to buy from this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement. All purchasers are bound by state law, local ordinances, rules, and regulations for purchases made under this contract.

FSA22-VEL30.0 & FSA22-VEH20.0 Model Year Price Adjustment

Awarded Vendors,

The Contract Terms and Conditions allow for price adjustments due to significant changes to manufacturer production in Section 3.06. FSA is allowing awarded vendors to submit adjusted pricing for model year 2024 vehicles in conjunction with order dates published by the manufacturer or with other manufacturer documentation.

FSA is requesting vendors submit a new price per item per zone for each item currently awarded. Adjusted pricing should be submitted prior to the date the manufacturer will begin accepting orders for model year 2024 vehicles when possible. FSA will consider the request and make a final determination on the changes in price. FSA reserves the right to refuse any excess price adjustment requests.

If pricing is not available when the manufacturer begins accepting orders, purchasers can submit a letter of intent referencing the FSA Contract to an awarded vendor indicating the models and quantities of vehicles they wish to purchase. After pricing is published, purchasers can issue a purchase order to the vendor to replace the letter of intent.

If you have any questions, please contact Cooperative Purchasing Program staff at CPP@flsheriffs.org.

Thank you,

Hugh Oliver
Cooperative Purchasing Program Manager

- 7) The [“Purchaser Resources”](#) page contains a Master Directory of CPP Vendors, in addition to the contract specific directories available on each award page.
- 8) FSA can make multiple awards by zone (if applicable). The purchaser has the choice of awarded vendors. The primary vendor offers the lowest price on the base item. If adding options, you may choose to get quotes from multiple awarded vendors. If a purchaser determines that a vendor in another zone can better serve their needs, they may order from that vendor; however, vendors may charge an out-of-zone delivery fee upon mutual agreement between the vendor and the purchaser.
- 9) Once a vendor has been identified for the item you wish to purchase, contact the vendor to request a quote.
- 10) Discuss delivery dates with the vendor. If no quote is provided, be sure to discuss delivery dates prior to issuing the purchase order to the vendor.

****Note:** Vendors do not have any control over production delays in schedules from the manufacturer. ******

Following the issuance of a purchase order, please send the PO to the selected vendors and the Florida Sheriffs Association at COOP@FISheriffs.org.
