Violation(s) City of Edgewater Code of Ordinances:

21-33 .1 & .2 Zoning uses and restrictions

21-33.01 – Purpose: This portion of Article III depicts the permitted, conditional and accessory uses by zoning district using the matrix format. The footnotes in Table III-3 refer to any applicable special criteria for that use in the particular zoning district and are described in Section 21-34 of this Article. If a use is not present in a given square in the matrix, that use is not permitted in that zoning district. Changes to the list of uses, the zoning districts and/or the permitted, conditional or accessory use status of a given land use can only be changed by completing the Land Development Code amendment process described in Article IX.

21-33.02 - Permitted Uses: The use depicted as "P" in the matrix (Table III-3) means that it is permissible in that zoning district as a matter of right, subject to satisfactory compliance with the project design standards found in the Land Development Code and any applicable site plan review requirements in the Land Development Code. The list of permitted uses cannot be all inclusive. The uses described in Table III-3 shall be interpreted by the Development Services Director/Planning Director to include other uses that have similar impacts to those listed. Any dispute or request regarding interpretations shall be resolved by the City Manager subject to an appeal to the City Council. All permitted uses or businesses requiring business tax receipts shall operate from within a permanent structure.

It has been found that 2 units are operating a business from this location. Unit 3 is painting vehicles and parts illegally. Unit 4 is operating a boat motor business fixing and selling. The zoning for your property is for storage units only. A storage unit may not be used to operate a business.
