Subject: RE: FW: ITB No. ITB 26-PW-01 Rehabilitation of Sanitary Sewer Lines and Manholes (CDBG 23DB-N33)

Mr. Lusk,

After review by city staff, our Grant Administrator and City Attorney, it has been determined that since the bid instructions stated in in Section 8 Submittal Requirements - 8.1 " All cost associated with delivering the requested services shall be detailed in format requested on the Total Pricing Form in OpenGov" that we are not able to consider the deductive pricing that was included in your bid submittal in the Major Manufacturers or Suppliers form, and have deemed that portion of the submittal as non-responsive.

It should be noted that the agenda request to Council will include your correspondence as well as the City Attorney and Grant Administrator responses.

Thank you,

Pat
